ADENIJI Oluwaferanmi

Dear Oluwaferanmi,

OFFER OF EMPLOYMENT

Further to our recent discussion with you, we are pleased to offer you the position of **Frontend Engineer** with **Moneymie LLC**. By joining Moneymie, you will become part of a diverse and fast-paced team building to democratize banking and investments on a global scale. We are confident you will find this new opportunity both challenging and rewarding. The following points outline the terms and conditions we are proposing.

Title: Frontend Engineer

Your employment will be: Full Time

Probation: A probation period will apply for the first 2 months of your employment. During this time, we will assess your progress, performance and response to deliverables every week in the position.

Compensation: The offer for this position is at a salary of N150,000 net per month, which will be paid not later than the last working day of each calendar month.

Hours of work: Report remotely or to the designated location from Monday – Friday from 9.00 a.m to 5 p.m as the job requires.

What you will be doing:

- Develop, test and maintain new and existing web and mobile applications for our growing client base.
- Build pixel-perfect UXs from visuals on the front end and connect new APIs into systems on the backend while maintaining snappy interactions and CRUD operations.
- Thoroughly implement and test functionality written by yourself or other developers and spot everything from small details to major logic flaws.
